

Only a Boy Named David

Only a boy named David,

Only a babbling brook.

Only a boy named David,
and five little stones he took.

One little stone went in the sling,
the sling went 'round and 'round.

One little stone went in the sling,
the sling went 'round and 'round.

'Round and 'round and 'round and 'round,
the sling went 'round and 'round.

One little stone went through the air,
And the giant came tumbling down!
