

Joseph Forgave His Brothers

(Tune: Yankee Doodle)

Jacob, Jacob had twelve sons they came from different mothers,
Joseph was the favorite one, and was hated by his brothers.

God gave Joseph many dreams, they spoke of what would be,
Joseph's brothers hated them and were filled with jealousy.

His brothers put him in a pit, they did not hear his pleas,
They fooled their father with his coat, they sold him into slavery.

God blessed Joseph very much, though he was mistreated,
Joseph always did what's right, and he was not defeated.

Now, Joseph's family came to him, they suffered from a famine,
Joseph did not hold a grudge, but lovingly forgave them.

Jacob's family now was blessed and God met all their needs,
Joseph's dreams had now come true because of his good deeds.
