

Experiencing Salvation (Jas. 1:17-27)

Remember that God is the source of every good gift (1:17). He wants us to be saved from sin, not live in it (1:18).

Watch out for rebellious attitudes toward God (1:19-20).

Putting aside whatever remains of wickedness, receive the word with meekness (1:21).

Be a doer and not just a hearer of the word (1:22-25).

Test your life by God's standard: Do you control your tongue? Do you really care about the needy? Do you avoid worldly ways?
