

Loving Others Without Partiality
(Jas. 2:1-13)

Do not hold your faith in Christ with partiality toward others (2:1-4).

Remember that God chose the poor to be rich in faith; and that often the rich reject the faith (2:5-7).

Live by the royal law and you will do well; but if you show partiality you transgress the law (2:8-11).

Speak and act as those judged by the law of liberty (2:12-13).
