

# **Studies in the Life of Christ**

## **NT Survey Lesson 2--Luke 2**

**Introduction:** Though the Scriptures tell us little of Jesus' birth and boyhood, the details given to us confirm our faith in the fact that Jesus is the Son of God. The Holy Spirit has given us the testimony of both angels and prophets, all of which joined together with one voice to declare that Jesus was worthy of praise and the only hope of the world's salvation.

**Lesson aim:** To demonstrate that the evidence connected with Jesus' birth supports the evangelist's claims that He was the Son of God.
